

AwesomeMath Academy

Code of Conduct Online Classes

In order to attend AwesomeMath Academy classes, students are expected to abide by the following code. The goal is to provide a positive learning environment that allows for each child to reach his/her full potential.

- Be polite and respectful
- Listen with an open mind
- Be in control of yourself (do not distract the class)
- Properly use all materials, resources, and platforms
- T.H.I.N.K. before communicating: is it True, Helpful, Inspiring, Necessary, and/or Kind
- Have fun!

AwesomeMath Academy will not tolerate any of the following:

- Endangering the physical/emotional health, safety or welfare of another
- Harassment or Bullying of others, including physical, verbal, relational, emotional, and/or technological (cyber)
- Disrespect towards any coach, guest speaker, or host
- Academic cheating, fighting, lying, profanity, stealing, and/or vandalism
- Behavior that disrupts or limits the learning opportunities of others

I, (child's name) _____, agree to the above Code of Conduct and understand that my parent will be contacted right away if I do not adhere to this code.
